

THE INSECT FAUNA OF THE SUDBURY DISTRICT, ONTARIO.

BY JOHN D. EVANS, TRENTON.

(Continued from page 146.)

LUCANIDÆ.

Platycerus depressus, Lec.... 23

SCARABÆIDÆ.

Aphodius fossor, Linn... 7

" hamatus, Say.. 2

" fimetarius, Linn... 37

* " crassulus, Horn... 1

" granarius, Linn... 9

" vittatus, Say..... 11

" inquinatus, Hbst... 1

" leopardus, Horn... 2

Dichelonycha elongata, Fab.. 88

" subvittata, Lec. 163

Serica vespertina, Gyll..... 10

Diptotaxis tristis, Kirby... 2

Lachnosterna fusca, Fröh.... 10

* " insperata, Smith 5

Euphoria fulgida, Fab..... 1

Osmoderma scabra, Beauv... 1

Trichius affinis, Gory..... 73

CERAMBYCIDÆ.

Aseum mœstum, Hald..... 60

Criocephalus agrestis, Kirby.. 16

Tetropium cinnamopterum,

Kirby..... 4

Phymatodes dimidiatus, Kirby. 18

Merium proteus, Kirby..... 1

Calloides nobilis, Say..... 1

Xylotrechus sagittatus, Germ. 15

" colonus, Fab.... 1

" undulatus, Say.. 62

" lunulatus, Kirby. 6

* " interruptus, Lap. 4

Clytanthus ruricola, Oliv..... 6

Rhagium lineatum, Oliv..... 14

Pachyta monticola, Rand.... 1

" liturata, Kirby..... 1

" rugipennis, Newm... 1

Acmaeops proteus, Kirby..... 83

" pratensis, Laich.. 54

Gaurotes cyanipennis, Say.... 16

Bellamira scalaris, Say..... 5

Typocerus velutinus, Oliv.... 2

Leptura subhamata, Rand.... 5

" sexmaculata, Linn... 22

" nigrella, Say..... 16

" canadensis, Fab.... 41

" erythroptera, Kirby.. 14

" sanguinea, Lec..... 5

" chrysocoma, Kirby... 256

" proxima, Say..... 14

" biforis, Newm..... 3

* " pedalis, Lec..... 1

" vittata, Germ..... 1

" sphaericollis, Say.... 3

" mutabilis, Newm... 16

* " viridipennis, Hald... 3

Monohammus scutellatus, Say. 77

" confusor, Kirby 47

Hyperplatys maculatus, Hald. 1

Acanthocinus obsoletus, Oliv. 2

Pogonocherus penicellatus,

Lec..... 3

Saperda mœsta, Lec..... 1

Oberea ruficollis, Fab..... 1

CHRYSOMELIDÆ.

Donacia palmata, Oliv..... 10

" piscatrix, Lac..... 1

" proxima, Kirby.... 10

" subtilis, Kunze.... 1

<i>Donacia æqualis</i> , Say.....	8	<i>Crepidodera Helxines</i> , Linn	56
* " <i>confusa</i> , Lec.....	3	<i>Systema hudsonias</i> , Forst.....	19
<i>Orsodachna atra</i> , Ahr.....	54	<i>Phyllotreta vittata</i> , Fab.....	8
<i>Syneta ferruginea</i> , Germ.....	15	<i>Psylliodes punctulata</i> , Melsh..	4
<i>Cryptocephalus 4-maculatus</i> , Say.....	16	<i>Odontota nervosa</i> , Panz.....	2
* <i>Cryptocephalus venustus</i> , Fab.	5	TENEBRIONIDÆ.	
<i>Pachybrachys femoratus</i> , Oliv.	2	<i>Phellopsis obcordata</i> , Kirby..	5
" <i>infaustus</i> , Hald.	2	<i>Iphthimus opacus</i> , Lec... ..	9
<i>Diachus auratus</i> , Fab... ..	4	<i>Upis ceramoides</i> , Linn.....	83
* " <i>pallidicornis</i> , Suffr... ..	7	<i>Hapladrus concolor</i> , Lec. ...	25
<i>Xanthonia 10-notata</i> , Say....	4	<i>Tenebrio tenebrioides</i> , Beauv..	5
<i>Adoxus vitis</i> , Linn.....	34	<i>Blapstinus interruptus</i> , Say... ..	1
<i>Chrysochus auratus</i> , Fab.....	2	<i>Tribolium madens</i> , Charp....	1
<i>Paria canella</i> , Fab.....	3	<i>Platydema americanum</i> , Lap.	41
" <i>4-notata</i> , Say.....	4	<i>Hypophlæus parallelus</i> , Melsh.	59
<i>Prasocuris obliquata</i> , Lec....	1	<i>Boletophagus corticola</i> , Say... ..	1
<i>Doryphora 10-lineata</i> , Say....	5	CISTELIDÆ.	
<i>Chrysomela elegans</i> , Oliv....	5	<i>Hymenorus niger</i> , Melsh. ...	2
" <i>Philadelphica</i> , Linn	11	* " <i>communis</i> , Lec. .	1
" <i>spirææ</i> , Say.....	3	<i>Isomira quadristriata</i> , Coup..	14
" <i>Bigsbyana</i> , Kirby.	14	LAGRIIDÆ.	
<i>Gastroidea polygoni</i> , Linn....	21	<i>Arthromacra ænea</i> , Say.....	126
<i>Lina lapponica</i> , Linn.....	121	MELANDRYIDÆ.	
* " <i>scripta</i> , Fab.....	2	<i>Penthe obliquata</i> , Fab.....	1
<i>Gonioctena pallida</i> , Linn.....	22	<i>Melandrya striata</i> , Say.....	
<i>Phyllodecta vulgatissima</i> , Linn.	1	<i>Emmesa connectens</i> , Newm... ..	1
<i>Phyllobrotica discoidea</i> , Fab..	16	<i>Phryganophilus collaris</i> , Lec..	12
<i>Diabrotica 12-punctata</i> , Oliv..	1	<i>Xylita lævigata</i> , Hellw.....	18
<i>Adimonia rufo-sanguinea</i> , Say.	1	<i>Scotochroa atra</i> , Lec.....	4
<i>Galeruca sagittaria</i> , Gyll.....	3	<i>Serropalpus barbatus</i> , Schall..	3
" <i>decora</i> , Say.....	118	<i>Eustrophus confinis</i> , Lec.....	1
<i>Edionychis quercata</i> , Fab....	2	* " <i>repandus</i> , Horn..	1
<i>Disonycha alternata</i> , Ill.....	5	<i>Stenotrachelus arcatus</i> , Say.	2
<i>Haltica bimarginata</i> , Say....	127	PYTHIDÆ.	
" <i>chalybea</i> , Ill.....	1	<i>Crymodes discicollis</i> , Lec....	167
" <i>carinata</i> , Germ.....	6	<i>Boros unicolor</i> , Say... ..	21
" <i>inærata</i> , Lec.....	1	<i>Pytho americanus</i> , Kirby.....	73
		<i>Priognathus monilicornis</i> , Rand.....	10

OEDEMERIDÆ.

<i>Calopus angustus</i> , Lec.....	4
<i>Ditylus cæruleus</i> , Rand.....	5

MORDELLIDÆ.

<i>Anaspis nigra</i> , Hald.....	5
" <i>flavipennis</i> , Hald....	7
<i>Mordella borealis</i> , Lec.....	1
" <i>melæna</i> , Germ.....	1
" <i>scutellaris</i> , Fab....	6
" <i>marginata</i> , Melsh. .	1
<i>Mordellistena scapularis</i> , Say.	1

ANTHICIDÆ.

<i>Nematoplus collaris</i> , Lec....	1
<i>Anthicus formicarius</i> , Laf....	3

PYROCHROIDÆ.

<i>Dendroides concolor</i> , Newm..	4
-------------------------------------	---

MELOIDÆ

* <i>Meloe impressus</i> , Kirby.....	2
" <i>americanus</i> , Leach....	3
<i>Macrobasis unicolor</i> , Kirby... 5	1
* <i>Pomphopœa Sayi</i> , Lec.....	4

RHINOMACERIDÆ.

<i>Rhinomacer pilosus</i> , Lec.....	3
--------------------------------------	---

RHYNCHITIDÆ.

<i>Rhynchites cyanellus</i> , Lec....	5
---------------------------------------	---

ATTELAEIDÆ.

<i>Attelabus bipustulatus</i> , Fab... 1	
" <i>rhois</i> , Boh..	4

OTIORHYNCHIDÆ.

<i>Otiorhynchus ovatus</i> , Linn... 1	
--	--

CURCULIONIDÆ.

<i>Sitones flavescens</i> , Marsh....	2
<i>Trichalophus alternatus</i> , Say..	1
<i>Lepyrus colon</i> , Linn.....	7
" <i>geminatus</i> , Say.....	8
<i>Pissodes strobis</i> , Peck.....	4
" <i>affinis</i> , Rand.....	56
" <i>dubius</i> , Rand.....	1

<i>Hylobius confusus</i> , Kirby....	104
--------------------------------------	-----

<i>Hypomolyx pineti</i> , Fab.....	2
------------------------------------	---

<i>Dorytomus mucidus</i> , Say.....	23
-------------------------------------	----

" <i>brevicollis</i> , Lec....	2
--------------------------------	---

" <i>longulus</i> , Lec....	3
-----------------------------	---

<i>Procas Lecontei</i> , Bedel....	1
------------------------------------	---

<i>Lissorhoptrus simplex</i> , Say...	17
---------------------------------------	----

* <i>Magdalis hispoides</i> , Lec.....	1
--	---

<i>Anthonomus scutellatus</i> , Gyll.	1
---------------------------------------	---

" <i>signatus</i> , Say....	13
-----------------------------	----

" <i>helvolus</i> , Boh...	4
----------------------------	---

* " <i>rufipennis</i> , Lec..	7
-------------------------------	---

" <i>corvulus</i> , Lec....	3
-----------------------------	---

* " <i>cratægi</i> , Walsh..	
------------------------------	--

<i>Orchestes niger</i> , Horn.....	15
------------------------------------	----

<i>Elleschus bipunctatus</i> , Linn..	47
---------------------------------------	----

" <i>ephippiatus</i> , Say...	8
-------------------------------	---

<i>Cryptorhynchus bisignatus</i> ,	
------------------------------------	--

Say	1
-----------	---

<i>Ceutorhynchus decipiens</i> , Lec.	1
---------------------------------------	---

SCOLYTIDÆ.

<i>Pityophthorus materiarius</i> ,	
Fitch.....	8

<i>Pityophthorus puberulus</i> , Lec.	1
---------------------------------------	---

<i>Xyloterus bivittatus</i> , Kirby...	21
--	----

<i>Xyleborus cælatus</i> , Eich....	11
-------------------------------------	----

<i>Dryocætes autographus</i> , Ratz.	8
--------------------------------------	---

<i>Tomicus calligraphus</i> , Germ..	21
--------------------------------------	----

" <i>cacographus</i> , Lec....	26
--------------------------------	----

" <i>pini</i> , Say.....	2
--------------------------	---

<i>Hylesinus opaculus</i> , Lec.....	1
--------------------------------------	---

<i>Dendroctonus terebrans</i> , Oliv.	199
---------------------------------------	-----

" <i>simplex</i> , Lec....	14
----------------------------	----

<i>Hylurgops glabratus</i> , Zett....	24
---------------------------------------	----

ANTHRIBIDÆ.

<i>Eurymycter fasciatus</i> , Oliv....	1
--	---

<i>Cratoparis lunatus</i> , Fab.....	2
--------------------------------------	---
